

Connecting to the internet here

Instructions

You can be online quickly and check email, surf the Internet, watch video content such as YouTube and communicate with other people using programs such as Skype.

Rates

Hour	Day	Week
1 hr / 60 MB	24 Hrs / 160 MB	7 Days / 1.2 GB

Pricing for this Hotspot will be shown on screen once you connect.

How?

- 1 - Connect your Wi-Fi enabled laptop or Wi-Fi gadget to the Tomizone signal available in your Wireless network list.
- 2 – Open your Internet Browser on your device and go to any website (like www.google.com) or your homepage – a welcome screen will be shown where you can choose to login or buy time with your credit card or voucher. Follow the instructions here to get on-line quickly!
